

Off Strip Las Vegas Blackjack Survey 2018

Although there are many casinos on the strip and downtown Las Vegas, some prefer the not so crowded and lower limit tables to play blackjack. On our exclusive 2019 Las Vegas Blackjack Survey, you can find all the casinos that offer blackjack tables off the strip.

The advantage to playing blackjack away from the Las Vegas Strip and downtown is the lower limits. Many of these tables spread decent rules with a \$5 minimum. The disadvantage some blackjack players may find is the lack of amenities and high limit rules. All games mentioned below pay 3-2 and have the dealer hit soft 17, unless otherwise noted.

Aliante Casino
